ROLAND RELEASES FREE BONUS CONTENT FOR FANTOM-G

New FG Connects Project Provides More Creative Possibilities

Los Angeles, CA, March 24, 2009 — Roland Corporation is proud to announce availability of the *FG Connects* project on the Roland U.S. website. Made exclusively for the [Fantom-G series workstations](#), this free download provides new content to inspire owners of the Fantom-G, including new rhythm patterns, new rhythm kits, chord memories, and new edits of the most popular arpeggio phrases.

The *FG Connects* project includes:

- Over 600 rhythm patterns easily accessible with the Fantom-G's Dynamic Pads
- Over 100 new chord memories that reproduce the voicings of different instrument styles, all with the push of a button
- 128 edited arpeggio phrases for guitar, bass, keyboards, and more
- 32 Rhythm Pattern Sets
- 8 Chord Memory Sets
- 10 Arpeggio Sets
- 14 New Rhythm Sets

"The *FG Connects* download gives Fantom-G owners more tools to express their creativity," says Product Marketing Manager Vince Laduca. "Users can trigger the new patterns, chords and re-tooled arpeggio phrases with the Fantom-G's Dynamic Pads to accelerate and inspire their creative flow."
