ROLAND RELEASES TR-505, TR-707 and TR-727 SOUNDSETS

—More Free MV-8000 Sounds!—

Los Angeles, CA, April 6, 2006—Roland Corporation US is proud to announce they are now offering TR-505, TR-707 and TR-737 vintage synth sound sets for a limited time.

Achieving popularity in the 80s, Roland TR series became the workhorse product for anyone wanting a play-along drum machine.

Roland has captured and combined these classic sounds into one convenient, 3-bank package called the TR-527. This MV-8000 download package joins the TR-808 sound set, which is also available for free from rolandus.com.

Roland Product Manager Vince LaDuca relates, "We are thrilled to be able to offer such an extensive set of classic sounds for our dedicated customers, and look forward to developing other unique sounds sets in the near future.
