

RH-20/50 Headphones

Heavyweight Sound. Lightweight Design

Roland's RH-25/50 Headphones offer exceptional sound at a reasonable price. The ultra-affordable RH-25 provide rich stereo sound in a lightweight, foldable design while the RH-50's exceptional low frequency response and sturdy, well-fitting chassis make it the great choice for professional use. A long 2.7m cable (RH-25) or 3m cable (RH-50) adapts to both stereo mini jack or 1/4" phone inputs using a high-quality gold-plated plug.
