Roland®

Now Available in White

Its price might say “budget,” but the E-09’s sounds and styles are nothing but first class. Building on the success of Roland’s popular E-series arranger keyboards, the E-09W raises the quality standard for entry-level arrangers. The E-09 is now available in black or white colors.

- High-quality sound engine with 870 tones and 70 drum kits; GM2 compliant
- Interactive musical styles, including Western, Middle Eastern and Asian
- 64-voice polyphony

Stylish Design

Who says an affordable keyboard has to look cheap? The E-09 is a stylish instrument that proudly wears the Roland logo. Its sleek, low-profile body is accentuated by colorful, friendly buttons and an easy-to-read backlit LCD. Now you can choose from two classic colors, black (E-09) or white (E-09W).

Interactive Styles

You don’t have to be an accomplished keyboardist to make great music with the E-09. Right out of the box, it’s loaded with dozens of one-touch patterns that you can control and embellish for an impressive performance. Onboard styles include Western, Middle Eastern and Asian.

- 47 Multi-FX plus reverb and chorus
- 16-Track recorder with Easy Mode
- Friendly Music Assistants, One-Touch settings
- High-performance speaker system onboard, plus two headphone jacks

Great Sounds

Roland is world-famous for creating instruments with stunning sounds, and the E-09 is no exception. An entire world of tone is available at the touch of a button, from orchestral to modern and beyond. Every sound can be customized and enhanced with the powerful multi-effects processor.

16-Track Recorder

The E-09’s impressive sounds and interactive styles make it a great tool for creating songs. That’s why Roland equipped this keyboard with a built-in 16-track recorder for capturing and developing your musical ideas. There’s even an Easy Mode for quick, friendly operation.
