ROLAND ANNOUNCES V-DRUM ACCESSORY PACKAGE

Austin, TX, July 27, 2007—Roland is proud to announce the new DAP-1 V-Drum accessory package. This handy drum accessory package is especially suitable for entry-level V-Drums owners, allowing them to start playing their V-Drums right out of the box. Components include a drum throne, earbuds, a pair of drumsticks and a mini-to-mini cable for connecting an MP3 player to the mix input — all carrying the Roland logo and assurance of quality.

Roland is a world leader in the design, manufacture, and distribution of electronic musical instruments, professional audio equipment, multimedia products, and music accessories. For more information, please visit us online at <http://www.Roland.com/products/en/> or website of Roland nearest to you.
