ROLAND LAUNCHES NEW PM-01 PERSONAL MONITOR

—Perfect Home Companion to HD-1 V-Drums—

Austin, TX, July 27, 2007—Standing at just under 18 inches and weighing in at 7 lbs, the newest member of the PM-01 monitor series is small, great-sounding and affordable. The ideal personal drum monitor for home practice, this new monitor is a perfect match to the new Roland HD-1 drum kit.

The PM-01 features a 15 W power output and a full-range 4-inch speaker for outstanding sound quality.

Roland is a world leader in the design, manufacture, and distribution of electronic musical instruments, professional audio equipment, multimedia products, and music accessories.
