Unfold and Play

The compact design of the V-Drums Portable is perfect for homes, as it greatly minimizes the space needed for playing as well as storage. For students practicing at home, the Coach and Quick Rec functions will help improve their skills, especially during private practice sessions with headphones.

With its innovative foldable design, the V-Drums Portable TD-4KP makes drumming more convenient and mobile than ever. It’s a drummer’s dream for transport and storage. And, with V-Drums technology at its core, it provides “no compromise” sound and playability.

TD-4KP is fully compatible with all V-Drums sound modules, and can be used as a complete V-Drums system with a sound module and expansion modules.

Quick Setup and Breakdown

To set up, simply extend the stand, raise the pipe, rotate the pads, and power on to play.
To break down, fold the kit with all pads mounted on the stand — it’s incredibly fast and easy!

The Science of Mobility

Innovative Mechanics

Quick and Clean

The V-Drums Portable kit is equipped with unique features for fast, easy setup. Quick Release enables instant positioning and folding of the cymbals with one-touch operation. Cable holders neatly bunch the cables as well as provide storage for a drum key or cable plug.

Space-Saving Foldable Design

All Pads Stay Attached

Expressive Drum Set

Dynamic sounds, cymbal chokes, delicate hi-hat nuances — V-Drums Portable provides a natural and comfortable drumming experience.

Quick REC captures your drumming and lets you listen to the results — valuable for self-evaluation and improvement.

Improve Your Drumming Technique

More than just great sounds onboard!
V-Drums Portable is also equipped with built-in training programs. The Coach function helps you improve your drumming technique with five different modes: Warm Up, Time Check, Timpani Check, Quiet Count, and Auto Up/Down.

The TD-4 sound module (included with the kit) is packed with world-class drum and percussion sounds. The sounds can be easily edited, as you can quickly and intuitively customize the kits with tuning/muffling buttons. Ambience effects can also be added to make the sounds more lively and dynamic.

Easy Transport

Thanks to the TD-4KP's lightweight and compact design, it's easy to carry and fold. The kit can be folded with just one hand and mounted on a stand using a single pad mount for added stability.

Upgrade Options

You can upgrade your kit with a V-Pad PDX-6/8 (optional), which offers an embossed, round head feel as well as improved playability. Upgrade your kit with the TD-4KP as well as any of your favorite accessories.

Innovative Kick Pad

The kick pad and pedal plate are built in the rack.
To set up, simply rotate them into the playing position. Enjoy the comfortable feel of the kick pad and the natural beater movement.
